

# Academies@Englewood Parent Partnership Association

## Family Dues for 2010–2011

Mutual communication and participation between parents and teachers is the key to the success of our children's education. We ask every Academies @ Englewood family to contribute \$35 in dues to help fund PPA activities that enhance our children's education.

These activities include:

- Evening Parent Meetings with informative speakers
- Student field trip financial aid
- Social events for students and families
- Staff appreciation events
- Financial support of academic and extracurricular student activities
- Gifts to the school
- Scholarships for graduating seniors

If you are unable to pay the full amount, please contribute what you can. Donations above and beyond the \$35 dues will be greatly appreciated and reduce our need for fundraising during the coming year.

Please complete the form and send it with your check payable to "Academies @ Englewood PPA" Attn: Linda Garrison, C/O A@E, 274 Knickerbocker Rd., Englewood, NJ 07631.

Should you have questions, contact the Parent Partnership Association at [ppa@epsd.org](mailto:ppa@epsd.org)
